

Seminar for Institutional Advisors on S&R, SSR, SFA and SP

Rome, 15-17 March 2022

Requirement: ITA Joint Defence Staff identified a gap in PDT for personnel selected to be deployed as Institutional Advisors in the domain of Stability Policing (SP) or Security Force Assistance (SFA).

Aim: The seminar allows personnel tasked as Institutional Advisors to develop the capability to advice counterparts in a local security force institution within building partners capacity activities.

Objectives: Attending the seminar personnel will be able to:

- Recall the NATO doctrine on Stabilization & Reconstruction (S&R), Security Sector Reform (SSR), SP and SFA;
- Recognize the main challenges for Institutional Advisors;
- Develop the most important skills for an effective advising.

Security Classification: NATO UNCLASSIFIED.

Venue: Italian Air Force – HQ Rome (COMSEV - Sala "Aimone Cat").

Estimated Number of students: 20

Target Audience: Military Officers (OF-4 through OF-5) and civilian equivalent working as Institutional Advisors in Stability and Security operations.

Pre-requisites (e-learning):

- "Introduction to Security Sector Governance" (DCAF/ISSAT);
- ADL 362 "Introduction to SFA" course (NATO JADL);
- ADL 353 "Introduction to Stability Policing" (NATO JADL);
- ADL 169 "Improving Operational Effectiveness by Integrating Gender Perspective" (NATO JADL).

References:

- AJP 3.4.5;
- AJP 3.16;
- AJP 3.22.

Language Proficiency: Level 3 of English language skills according to NATO STANAG 6001: Listening (3); Speaking (2); Reading (3); and Writing (2).

Training Strategy: The seminar starts with on-line learning period with self-study. The duration is three (3) training days. It is composed of a series of modules and is based on adult learning principles. Active learning methods are used throughout the course to include interactive lectures, case studies and guided discussions.

Course fees: 100 €
