**SUBJECT: NATO Security Force Assistance Centre of Excellence (NATO SFA COE)
2024 training offer – update & reminder.**

REFERENCE: a. BI-SC Education and Individual Training Directive (075-007)

b. SNSFACOE-ETB-34-2023 - 05/06/2023 SFA COE 2024 Training Offer

1. The NATO SFA COE in Rome (Italy) will offer different training solutions for 2024, both residential and online, which are listed in **Annex "B"**. These solutions are (or are going to be) certified as "NATO Selected" courses, that satisfy NATO performance gaps identified within the Military Contribution to Peace Support Discipline through the System Approach to Training process and represent suitable training solutions aligned with the performance gaps.
2. Training solutions are detailed in the **Annex "B" Appendices** and can be found on the NATO ETOC website (<https://e-itep.act.nato.int/>) and on the NATO e-PRIME system (<https://e-prime.org/>). E-learning courses are available on the NATO Joint Advanced Distance Learning platform (<https://jadr.act.nato.int/>).
3. A specific calling letter for each iteration will be published on the NATO SFA COE website (<https://reserved.nsfacoe.org/site/category?id=1>) at least two months before each course commences. All personnel having the requested pre-requisites who are interested in attending must submit the request by the deadline following the procedures outlined in the aforementioned letter, which will contain administrative and logistical details as well.
4. The Framework Nation (Italy) and Sponsoring Nations are welcome to send participants and they will have reserved seats for each iteration.
5. For additional information, please contact the NATO SFA COE Education and Training Branch (training_education@nsfacoe.org).

ADL 362

"INTRODUCTION TO SFA"

ADL 362 "INTRODUCTION TO SECURITY FORCE ASSISTANCE (SFA)"

(ETOC Code: MCP-CM-15557)

AIM

To illustrate how the Security Force Assistance Concept (MCM-0034-2014) has been originated in NATO and how SFA is intended by the reference of NATO publication, the AJP 3.16 - Allied Joint Doctrine for Security Force Assistance. The course also provides participants of the residential SFA training solutions (e.g. "SFA Operators Course" and "Institutional Advisor Course") with a general overview, useful to create a common picture which will be further investigated during the residential courses.

TARGET AUDIENCE

Position:

- NATO and its Partners SFA Operators (Advisers, Mentors and Trainers) and planners both military and civilian working in NATO SFA operations.
- Individuals, both military and civilian, working in NATO HQ IS/IMS, NATO Allied Command Operations (HQ SHAPE, Joint Force Commands and Component Commands), NATO Allied Command Transformation (HQ SACT), COEs, NATO Force Structure and those who support SFA Operators (supporting staff).
- Personnel in academia, IOs, GOs, NGOs, interagency, intergovernmental.
- Personnel working in S&R/SSR projects and wider development context (incl. possible counterparts from priority regions/countries).

TRAINING STRATEGY

The course has been planned as e-learning solution, available on NATO Joint Advanced Distributed Learning (JADL). A final test as diagnostic assessment.
