SUBJECT: **SFA Operators course 2026-2 - Calling Letter.**

Reference: SNSFACOE-ETB-__-2026 "NATO Security Force Assistance Centre of Excellence (NATO SFA COE) 2026 training offer – 2nd Update & Reminder" dated 29 APR 2026.

1. It is with great pleasure that I invite you to the "SFA Operators course 2026-2" that will be held by the NATO Security Force Assistance Centre of Excellence (NATO SFA COE) from 21 to 25 SEPT 2026.
2. In particular, this course is now certified as "NATO Approved" and thus represents a suitable training solution to fill NATO performance gaps identified within the NATO Integrated Security Discipline throughout the System Approach to Training process, as the SFA COE has been endorsed with the NATO Quality Assurance Accreditation.
3. The aim of this course is to improve competency and effectiveness of SFA operators working in current and future missions and in security related capacity-building contexts. This course enhances a thorough understanding and application of NATO SFA techniques as part of a comprehensive and integrated approach. Course participants will be able to perform Security Force Assistance by advising, mentoring or training in order to develop and improve, or directly support, the development of capability and capacity of local forces and their associated institutions.
4. The course is designed as a blended learning solution. It starts with a distance-learning period, which includes self-study assignments, followed by a residential part, made of a series of modules presented by different Subject Matter Experts from the international community.
5. I am looking forward to meeting you in Rome and I wish you a very insightful and fruitful course.
